Dear Laura:

Thank you for participating in our Tampa Bay Buccaneers Wives seminar and luncheon event on Tuesday, September 25th. Nikitas did a beautiful job as always. The serving tables and presentation were superb and his attention to details is a credit to your company and the professional services you provide. The food was delicious and the Buc's wives were very impressed and glad to have information about your company in their take home bags.

I sincerely appreciate your willingness to partner with me on this event. I hope it will become an annual fall event with the wives and benefit us both. Please give Mr. Lamando my thanks for partnering with us. I do hope that you will book a lot of the Buc's personal parties by this exposure.

With appreciation,

Diane Wood
Director of Marketing
