I would like to take this opportunity to thank everyone involved with the wedding of Dana Hale and Doug Perrone. Thanks to all you everything went very smoothly, and we do appreciate that.

I would especially like to thank Sylvia and Laura. Without your expertise, the wedding would not have gone off as smoothly as it did. Any questions I had, were answered immediately. Any problems, were handle immediately. We couldn't not have done it without the two of you.

I would also like to thank KiKi and his staff, they were the absolute BEST. They made everyone feel at ease and the food was excellent. Everyone commented on how good the food tasted. All the staff that worked with him that day were very professional and right on top of everything, as far as serving and cleaning the tables. I felt as if they were a part of our family.

Thanks again to everyone who had a part in this wedding. You can be sure that I will recommend you company in a heart beat.

YOU ARE THE BEST!

Yours truly,
Mary Lou Hale
