Mr. Michael Lamando
Amici's Catered Cuisine
107-C Dunbar Avenue
Oldsmar, FL 34677

Dear Mr. Lamando,

I really don't know where to begin. All that I do know, is that Amici's Catered Cuisine hit a triple home run with us as we planned our daughter's wedding. From our first conversation with Mrs. Susan Attebery, to our friendly dealings with Arlene, to Nikitas, Spring, Melissa, Carol, Scott and Oliver who were on the team at the Kapok Special Events last Sunday during Cara's wedding, we knew we had made the right choice with Amici's.

The team last Sunday made us feel totally at ease. They were gracious, respectful, attentive, helpful and honest, professional. The display of food was stunning, and absolutely delicious. So many of our guests commented about the great service and how wonderful everything tasted. After the wedding they boxed up the leftover food for us in containers provided to them, gathered what they could that belonged to us, and made sure we got it in our cars.

Mrs. Attebery was a joy to work with. She was the reason we chose Amici's as our caterer in the first place, mostly because of her amiable manner during our very first phone conversation. When Cara and I met with Susan a couple of week's before the wedding, she went over every detail, displayed glasses, napkins, silverware and other items that were available. She made us feel that we were special and important.

Mr. Lamando, you have a great staff and I can understand why Amici's is so successful. Please share this letter with everyone I mentioned above and let them know that we are deeply grateful for their special attention. Every mother and father dreams that their daughter's wedding will be a most memorable, joyous occasion, and Amici's certainly helped to fulfill that dream for us.

Sincerely,

Linda Dykas
