Dear Laura:

On behalf of my management team, I wanted to express our appreciation for the outstanding job that your staff did for our event on December 14. Ro, Claudia & Susan were all simply outstanding, and it was such a pleasure to work with these wonderful ladies. There were literally no issues, questions or concerns as your staff are catering pros! It was so nice for me to enjoy the party rather than be worried about anything, as I had done at previous corporate events.

The menu selections (turkey, crab dip, meatballs, wings, vegetables, fruit & cheese display) were excellent. I personally favored the turkey and meatballs, but many of our guests sampled everything and provided rave reviews. In the past, we have always reiterated the previous year's menus, so our selections this year were very well received. I heard many praises at the event and the next morning, which confirmed my personal opinion.

Our Executive Boardroom was accented beautifully with white, red and green material highlighting the lights, greenery and lighted reindeer. I was very impressed on how your staff were able to work with our furniture to turn the room into a spectacular party setting. The staff arrived on time, and had everything ready for our guests well before the 4:00 PM start time.

Compliments and gratitude to you and your staff for a job very well done. I look forward to working with Amici's in the future, and definitely for our corporate holiday functions next year!

Best wishes for a Joyous Holiday season and successful New Year!
