Dear Amici's Catering:

Thank you so much for the great service and wonderful food at our wedding on September 16, 2006! My husband and I were very satisfied with the overall quality, value, and professionalism of your services.

The staff members who assisted me in planning the event were friendly, courteous, and easy to work with. Sylvia Dean in particular did a wonderful job setting up all our table centerpieces and decorations and overseeing the event. The servers and bartenders were also excellent—they actually came around to the bridal party and guest tables to take our drink orders. The food was very good and was served very hot, as we had specifically requested. The guests particularly raved about the appetizers, which were delicious.

Overall, we felt that for the price we paid, we got a terrific deal. We would definitely recommend Amici's catering services to others.

Sincerely,

Jennifer Watson
