We just wanted to contact you regarding the wedding of our daughter, Savannah, on December 22, 2006. This is the second time that we used Amici's, the first being the wedding of our other daughter, Sara, three years ago.

Kiki was the banquet captain for Sara's wedding, and we were so impressed with his professionalism and service that we requested him again for Savannah's wedding. Once again, we were impressed. Your staff were courteous, inobtrusive, and exactly what we expected based on the previous level of service we experienced with Amici's. The decorations, the food, and the personal attention provided by your staff, especially Kiki, impressed both our guests and ourselves.

We just wanted to be sure to recognize the superior service that your staff provided. We wouldn't hesitate to recommend you to others. Thank you!

Winkie and Brad Alston
